BACKGROUND AND EXPERIENCE

TeneLearning is an educational and training centre for adults and youth in Tenerife, Spain.

We specialize in delivering engaging training courses for professional and personal development — from team-building sessions to workshops, and tailored projects.

All our courses are taught in English by certified and experienced multilingual educators in a warm, interactive, and health-boosting environment.

TeneLearning focuses on emotional intelligence, well-being, outdoor learning, new educational methods, sustainability, social inclusion, and digital technologies.

Our mission is to transfer knowledge, assist in the completion of projects, accelerate careers, and help participants recharge their batteries — while strengthening interpersonal skills and fostering greater awareness of oneself and others.

ACTIVITIES AND EXPERIENCE

We are involved in a range of EU-funded projects and also offer Erasmus+ KA1 courses, job shadowing opportunities, and internship placements to facilitate professional exchange and practical experience in a European context.

Our main training areas:

- Emotional Intelligence – developing social skills, stress management, self-awareness, and motivation
- Soft Skills and Communication – enhancing negotiation, teamwork, adaptability, and creativity
- Digital Skills and Citizenship – navigating technology responsibly and effectively
- Language Courses – strengthening linguistic skills for professional and interpersonal communication
- General Well-being and Stress Reduction – promoting balance through yoga, relaxation, and mindfulness practices
- Entrepreneurship, Leadership, and Project Management – turning ideas into actionable and realistic plans
- Support for Unemployment, Upskilling, and Career Guidance
- Leadership – developing confident, ethical, and inclusive leadership practices

We offer the following courses:

- Increasing Well-being and Managing Stress Effectively
- Connecting Body and Mind with Mindfulness
- Motivation and Self-Development
- Self-Mastery
- Emotional Intelligence
- Entrepreneurship and Creativity
- Digital Skills
